**FIRST YEAR FIRST SEMESTER EXAMINATIONS
FOR THE DEGREE
OF
MASTER OF EDUCATION**

COURSE CODE: EDF 802

COURSE TITLE: RESEARCH METHODS II

DATE: THURSDAY 21ST DECEMBER 2023 TIME: 2:00 – 5:00PM

INSTRUCTIONS TO CANDIDATES

ANSWER ANY FOUR (4) QUESTIONS

TIME: 3 HOURS

MMUST observes ZERO tolerance to examination cheating

This Paper Consists of 2 Printed Pages. Please Turn Over.

QUESTION ONE

- a) Critically assess the primary ethical considerations prevalent in the realm of Educational Research. (7marks)
- b) While researchers in the field of Education often gravitate toward the utilization of mixed methods in their research endeavours, it remains evident that the predominant paradigms continue to be qualitative and quantitative. Analyse and juxtapose these two prevalent paradigms to illuminate their differences and similarities. (8 marks)

QUESTION TWO

- a) Assess the impact of research on education in basic education within the context of Kenya. (7 marks)
- b) You have been tasked with conducting a research study to investigate the perspectives of primary stakeholders regarding teenage pregnancy in secondary schools in Kakamega County, Kenya. Describe your approach to sampling the designated target populations for this research. (8 marks)

QUESTION THREE

Using a study of your choice, analyze the following concepts:

- a) Research problem (3 marks)
- b) Research hypothesis (3 marks)
- c) Conceptual framework (3 marks)
- d) Research objectives (3 marks)
- e) Theoretical framework (3 marks)

QUESTION FOUR

- a) A researcher is considering the utilization of cross-sectional survey and phenomenological research designs in her investigation on student absenteeism. Evaluate the distinctions and similarities between these two methodological approaches. (7 marks)
- b) What strategies do qualitative researchers employ to ensure the rigor and trustworthiness of their findings in qualitative research inquiries? (8 marks)

QUESTION FIVE

- a) A critical examination of the existing literature is pivotal for identifying a research issue within a study. What are the obstacles encountered by researchers when crafting a robust literature review? (7 marks)
- b) Using a study of your choice, rationalize the significance of the researcher's role and the utilization of the human instrument in qualitative research. (4 marks)
- c) What strategies can be employed to ensure credibility of qualitative research? (4 marks)

QUESTION SIX

As the Principal Investigator (PI), it is imperative that prior to fieldwork, researchers formulate comprehensive research proposals to provide a structured framework for their investigations. In this capacity, you are assigned the responsibility of formulating a research proposal addressing the issue of the role of family in primary school education in Kenya. Construct a research plan to examine your research query, encompassing the core elements of the topic, including but not limited to research objectives, significance, research design, the target population, sampling methodologies, data collection instruments, and ethical considerations. (15 marks)
