Answer **FOUR** questions only.

**MMUST** observes **ZERO** tolerance to examination cheating

This Paper Consists of 2 Printed Pages. Please Turn Over.

### **QUESTION ONE**

Citing appropriate example, how will you exploit the following while in a counselling process of students with disabilities and their parents.

- a) Beneficence (5 marks)
- b) Justice (5 marks)
- c) Non-maleficence (5 marks)

### **QUESTION TWO**

- a) Carl Rogers believes that Counselling achieves its objectives through client-centered approach. Explain how this method can be applied in the teaching and learning process of students with disabilities in an Inclusion class. (8 marks)
- b) Psychoanalysis is one of the most applied theory in the rehabilitative processes of learners with disabilities; analyze how best it will work with Families and Children with disabilities from the Sigmund Freud perspective. (7 marks)

### **QUESTION THREE**

- a) With relevant examples, describe how Emotional Inhibition rehabilitates disability conditions to a learner in an Inclusive School Environment. (8 marks)
- b) Citing relevant examples, justify how personality disorders influence the outcome of counselling families and their children with disabilities. (7 marks)

### **QUESTION FOUR**

As a Class Teacher in an Inclusive Educational School, the Educational Assessment Resource Center has placed learners with disability in your institution; how will you assist them to overcome the disabilities through Guidance and Counselling strategies? (15 marks)

### **QUESTION FIVE**

Describe by citing relevant examples how a disabled student will portray stressful influences physically and physiologically in an Inclusive set up environment. (15 marks)

### **QUESTION SIX**

Citing specific examples, provide the mechanism that will enhance Family Therapy without discriminating the existence of a disabled child in the family. (15 marks)
