MMUST observes ZERO tolerance to examination cheating

This Paper Consists of 2 Printed Pages. Please Turn Over. ►

Q1). Given information regarding emergency response assets, weather conditions, and a local map, assess a community's vulnerability. Determine what planning elements are necessary to prepare for a possible WMD incident. **(20marks)**

Q2). If you have never been associated with a terrorist incident, what would be some of your anxieties or concerns as an emergency services provider in dealing with a situation like this? **(20marks)**

Q3). Contrast the roles you would play as a first responder in crisis management and consequence management. In which area do you think you would have a bigger role as a first responder?**(20 marks)**

Q4). Identify and then nominate a likely terrorist target in your County then select three of the sites and use the Planning Priority Matrix to profile them. **(20marks)**

Step 1: Determine the proper value for each category.

Step 2: Add values.

Step 3: Place in priority, with highest value being the first inspected.

Q5). Critically discuss whether or not the 9/11 terrorist attacks could fall within the scope of constituting a "crime against humanity". **(20 marks)**
